# OPISAS FORGES A NEW PARTNERSHIP IN LATIN AMERICA WITH FEDELONJAS

23 June, 2022

Est. Reading: 2 minutes

It is with great honor that we announce the signing of a new **partnership** in Latin America.

## In fact, OPISAS joins the Fedelonjas network.

### Who is Fedelonjas

**Fedelonjas**, is the Colombian Federation of Real Estate Exchanges and brings together real estate agents from Barranquilla, Bogotá, Caldas, Valle del Cauca, Bolívar, Chocó, Huila, Antioquia, Montería, Nariño, Putumayo, Los Santanderes, Arauca, Quindío, Risaralda, Aca Andrés, Sucre, Tolima, Magdalena.

With more than 1,000 members and 10,000 real estate agents, it has more than 45 years of experience in quality real estate construction, responsibility and commitment to the country's development.

Through this strategic alliance, OPISAS will offer all Colombian real estate agents associated with Fedelonjas the opportunity to expand their portfolios with investment proposals in the U.S. real estate market. OPISAS will thus have the opportunity to be part of a promotion and dissemination system by securing the connection with a wide audience of real estate agents. Indeed, Fedelonjas has a strong web presence, reinforced by various periodic activities that include quarterly newsletters, trainings, conferences, and much more that you will discover with us.

### And there's more

On Thursday, August 11, 2022, we will be present as sponsors and exhibitors at the **7th Latino Real Estate Congress** in Barranquilla, Colombia, one of the largest and most important events in all of Latin America dedicated to the real estate industry.

It will be right here that we will formalize the alliance between Fedelonjas and OPISAS, which is not only important on a strategic level, but will also allow us to bring value to the construction and growth of the country, as this collaboration will be able to generate new opportunities for real estate market activities and expand the business of real estate investment in the United States throughout South America.

***Stay tuned!***
